CONTRACT FOR COOPERATIVE 9-1-1 SERVICE Between the County of Woodford and the County of LaSalle, both in the State of Illinois

This agreement, made and entered into this 1st day of June, 2004, pursuant to authority of the Illinois Constitution and the State Statutes, by and between the County of Woodford, hereinafter sometimes referred to as Woodford County, and the County of LaSalle hereinafter sometimes referred to as LaSalle County.

WITNESSETH:

WHEREAS, Article VII, Section 10, of the Constitution of the State of Illinois of 1970 provides that units of local government may contract or otherwise associate among themselves to obtain or share services and to exercise, combine, or transfer any power of function in any manner not prohibited by law or by ordinance and may use their credit, revenues, and other resources to pay costs related to intergovernmental activities and Chapter 127, Ill. Rev. Stat., paragraphs 74-1748, further authorizes intergovernmental cooperation, and

WHEREAS, the Illinois Legislature recognizes that it was in the public interest to shorten the time required for a person to request and receive emergency aid and enacted the Emergency Telephone System Act, the purpose of which is to establish the number "9-1-1" as the primary emergency telephone number for use in this State and to encourage units of local government and combinations of such units to develop and improve emergency communications procedures and facilities in such a manner as to be able to quickly respond to any person calling the telephone number "9-1-1" seeking police, fire, medical, rescue and other emergency services, and

WHEREAS, the cost attendant with providing cost effective "9-1-1" services to those persons within Woodford County, but served by a telephone exchange which is based in LaSalle County, is impractical and prohibitive without intergovernmental cooperation between the counties, and

WHEREAS, the LaSalle County customers have been receiving enhanced level of service since 1990 from Woodford County, and enhanced level of service is not available from LaSalle County in this area, and

WHEREAS, it has been determined by the corporate authorities of the County of Woodford and the County of LaSalle, respectively, that this agreement is in the best interest of each of the signatory counties:

NOW THEREFORE,

1. Woodford County, through its Emergency Telephone System Board shall file a petition to obtain approval of a *modified* "9-1-1" emergency reporting system to continue to serve all (approximately 25) VERIZON TELEPHONE CO. (309-432-XXXX Minonk exchange) customers within LaSalle County with the Illinois Commerce Commission.

2. In the absence of an emergency telephone system board representing the area in LaSalle County served by the Verizon Minonk exchange, the LaSalle County Board shall agree to the continuance of 9-1-1 service by and from Woodford County at the current Enhanced level of service.
3. Woodford County agrees to provide the following services to LaSalle County through the LaSalle County Board.
 - A. Woodford County shall selectively route "9-1-1" calls from LaSalle County residents served by the exchanges of:

MINONK

To the Woodford County 9-1-1 PSAP at Eureka Illinois.

- B. LaSalle County shall have, at the time of this executed agreement, no reciprocal agreement for 9-1-1 services to Woodford County

Woodford County agrees not to discriminate on "9-1-1" calls for emergency service originating from LaSalle County. All calls will be handled in accordance with established PSAP operating procedures with no preference being given to calls originating in either county.

4. The terms of this contract shall be in effect from the date of execution thereof and shall be reviewed annually thereafter.
5. This agreement may be terminated by either party upon thirty (30) days written notice to the other party.

SYSTEM BOARD**

This Agreement made this September 1, 2004 between the Emergency Telephone System Board of Woodford County, Illinois hereinafter referred to as "WOOD COM" and the Emergency Telephone System Board of Livingston County, Illinois hereinafter referred to as "LIV COM."

WHEREAS, the residents of the county of Woodford have heretofore approved the implementation of an E-9-1-1 system for all county of Woodford County residents by referendum; and

WHEREAS, the residence of the county of Livingston have heretofore approved the implementation of an E-9-1-1 system for all Livingston County residents by referendum; and

WHEREAS, it is the desire of WOOD COM to have available as complete a backup system as possible to provide E-9-1-1 delivery service to the residents of Woodford County without interruption; and

WHEREAS, WOOD COM will have E-9-1-1 systems capable of providing a backup to the E-9-1-1 system now being developed for the residences of Woodford County in the event of an emergency; and

WHEREAS, LIV COM is willing to provide to Woodford County ETSB a backup through the LIV COM E-9-1-1 system for the benefit of WOOD COM.

NOW THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

- FIRST:** Livingston County ETSB agrees to permit WOOD COM to utilize, for the protection of the residences of Woodford County, the E-9-1-1 system of LIV COM as a backup system to respond to emergency calls in the event the WOOD COM E-9-1-1 system is unable to respond and until such time as the existing backup system for WOOD COM is operational.
- SECOND:** The Woodford County Emergency Telephone System Board agree to pay all costs incurred by LIV COM in making available and operational the backup systems and other costs as may be incidental to the operation of the backup system for Woodford County.

WOODFORD COUNTY 9-1-1 AGREEMENTS

March 10, 2004

For 9-1-1 Emergency Communications

This agreement is made between the Public Safety Answering Point, hereinafter referred to as "PSAP", and the Marshall County Sheriff Department, for the purpose of effective handling and routing of 9-1-1 Emergency calls.

CALL HANDLING

WOODFORD COUNTY PSAP center receiving a call for emergency services in your jurisdiction shall dispatch the call in the following manner:

Primary: (309) 246-2115

Secondary: (309) 246-3326

AID OUTSIDE JURISDICTION BOUNDARY

Once an emergency unit is dispatched in response to a request through the system, such unit shall render its service to the requesting party without regard to whether the unit is operating outside its normal jurisdictional boundaries.

The legislative intent is that 9-1-1 be used for emergency calls only. Therefore, all calls of an administrative or non-emergency nature shall be referred to your agency's published telephone number.

The PSAP center agrees to keep all records, times, and places of all calls. All records will be available to all participants of the 9-1-1 system.

It shall be the responsibility of your agency to maintain the report of the call and the disposition of each call received.

All agreements, management, records, and service will be the responsibility of the advisory and policy board.

WOODFORD COUNTY FIRE CHIEFS' ASSOCIATION

Resolution to Eliminate "No Mans' Land in Woodford County

The fire chiefs of Woodford County, at the June meeting, met to develop a comprehensive fire protection plan for Woodford County.

According to the rules and regulations set forth in Chapter 127 1/2 of the State Fire Marshall's Code, all parcels of land in Woodford County currently not in an existing fire district are to be annexed into an existing fire protection district which adjoins the parcel or parcels in question.

Therefore, the Woodford County Fire Chiefs propose that all the unincorporated territory without fire protection be added to a fire protection district.

Dear Mr. Hix:

I have received a letter from John Huschen after he has completed his research of the question regarding incorporation of certain areas of unprotected property in fire districts. He has indicated that the first step is to complete a comprehensive plan which would include all unincorporated areas into certain fire districts. It will need legal descriptions of the areas that are not covered and the districts into which they should be placed. After the Fire Chief's Association has completed this plan, please send a copy to both him and me. I will then schedule a public hearing before the County Board, after which I assume that we will proceed with the plan based on the input from the public. Please contact me if you have further questions about this matter.

Very truly yours,
